FIREFLY BOOKS

## A FIREFLY BOOK

This book is dedicated to the memory of Dr Robert Hutchison (1938-2007), former Head of Meteorites at the Natural History Museum. Robert was a colleague, friend and mentor who had an encyclopaedic knowledge of meteorites and always found time to share it.

# ACKNOWLEDGEMENTS

With thanks to Tim McCoy (National Museum of Natural History, Smithsonian, USA) for providing very useful comments and suggestions on early versions of the text. Thanks also to Kirsten Pansegrouw and Camilla Wilkinson for their helpful comments and reading of the manuscript and also to Malcolm Penn for assistance with GIS and maps.
